- Konstantin KUCHERENKO, Director, Bendery Trolleybus Co., Bendery, Moldova

*At the end of this session the Eurasia Regional Grow with Public Transport Awards will be presented and winners announced.*

11:00 – 12:30 Expo Forum 2 – CBTC

Exhibition hall 2

EN

Chair: Pere CALVET, Chairman of the UITP Metropolitan Railways Committee and Director General, Ferrocarrils de la Generalitat de Catalunya (FGC), Barcelona, Spain

- **Delivering CBTC projects in demanding conditions**

Mircea GEORGESCU, Product Marketing Manager, Thales Canada, Transportation Solutions, Toronto, Canada

- **Innovative CBTC solution:**

**New ways to bring real benefits to meet current and future needs of operators**

Thierry BONNEFOUS, TIS Urban Solution Director, ALSTOM Transport, Paris, France

- **Energy efficient metro operation through real-time optimisation of train runs**

Melih ARPACI, Director Pre Acquisition Management Mass Transit, Siemens AG, Braunschweig, Germany

12:30 – 14:00 Lunch & Exhibition visiting

Restaurant hall 3

12:30 – 14:00 Lunch session - **7th Organising Authorities Assembly**

*(Limited capacity: first-come, first-served basis)*

Lunch will be provided.

Room X

EN

*Panel discussion*

**‘Unlocking growth with integrated mobility: The three most important challenges facing us as a region’.**

Transport (organising) authorities have a central and increasingly important role to play in integrating, planning, organising and financing public transport in cities worldwide. This panel discussion will bring a lively exchange of ideas between transport authorities from a selection of cities, looking at their differing challenges, needs and ambitions.

Introduction:

- Ousmane THIAM, UITP President and President of CETUD, Dakar
- Roger VAHNBERG, Chairman of the Organising Authorities Committee and Vice-President, Västtrafik, Gothenburg, Sweden

Moderator: Geoff INSKIP, Chairman of the UITP Organising Authorities Assembly and Chief Executive, Centro, Birmingham, United Kingdom  
Panelists:

- Ian DOBBS, Chair & Chief Executive Officer, Public Transport Victoria, Melbourne, Australia
- Jeremy YAP, Group Director, Policy and Planning, Land Transport Authority (LTA), Singapore
- Richard WALTON, Mayor of North Vancouver District and Chair of Translink Mayor's Council, Vancouver, Canada
- Dayo MOBEREOLA, Managing Director, Lagos Metropolitan Area Transport Authority (LAMATA), Lagos, Nigeria

**14:00 – 15:30** **Session 5 – i-MOVE 2.0: Business models for integrated urban mobility**

Room B

EN - FR - DE - ES - RU

Chair: José Manuel VIEGAS, Secretary General, International Transport Forum, Paris, France

- **The future of urban mobility: Towards networked, multimodal cities in 2050**

François-Joseph VAN AUDENHOVE, Partner Transportation Practice and Member of Mobility Lab, Arthur D. Little, Brussels, Belgium

- **Steps towards an integrated mobility platform**

Simone KÖHLER, Head of Sales Road & City Mobility IT, Siemens AG, Munich, Germany

- **More than operating lines: The personal trip designer**

Michael LICHTENEGGER, Chairman of the UITP Commission on Marketing and Product Development and CEO, Wiener Stadtwerke e-Mobilität GmbH, Vienna, Austria

- **Profitable mobility... and what else?**

Michel BLEITRACH, President, UTP, Paris, France

**14:00 – 15:30** **Regional session 3 – Africa session: Funding and promoting an integrated BRT for PTx2 in Africa**

Room A

EN - FR - AR

Welcome and Introduction:

Jack van der MERWE, President of UATP, CEO, Gautrain Management Agency, Johannesburg, South Africa

- **Conclusions of the Congress of Johannesburg**  
Bi Nagoné ZORO, Vice-President, UATP, Abidjan, Côte d'Ivoire
- **Integration of the taxi industry with BRT and other mass transit solutions**  
Shrbinseck DARKO, Managing Director, FOT CONSULTING, Johannesburg, South Africa
- **Use of economic instruments to fund PTx2 in Africa**  
Edwins MUKABANAH, Vice-President of UATP, Managing Director, Kenya Bus Services Management, Nairobi, Kenya
- **Reform and development plan of SOTRA**  
Bouaké MEITE, Managing Director, SOTRA, Abidjan, Côte d'Ivoire
- **Warri BRT scheme: Political commitment and funding strategy**  
Ben IGBAKPA, Honourable Commissioner for Transport, Delta State, Nigeria

*At the end of this session the Africa Regional Grow with Public Transport Awards will be presented and winners announced.*

14:00 – 15:30

### **Expo Forum 3 – The internal combustion engine is not dead!**

Exhibition hall 4

 EN

Chair: Masuk METE, Deputy General Manager, IETT, Istanbul, Turkey

- **Increasing attractiveness through electromobility**  
Edward JOBSON, Director Environment, Volvo Bus Corporation, Gothenburg, Sweden
- **Low-carbon bus systems: Tailored to your city**  
Anders FOLKESSON, Product Manager for Sustainable Solutions and Bus Systems, Scania Buses & Coaches, Stockholm, Sweden
- **Euro VI: A success factor in eco-friendly and economical public transport**  
Roman G. BIONDI, Director Market Management and Subsidiaries, Evobus GmbH, Mannheim, Germany
- **Cleaner air for our cities today**  
Henrik WILCKENS, Global Technology Advisor Commercial Fuels, Shell Deutschland Oil GmbH, Hamburg, Germany

- **High efficiency SCR system:  
The Iveco Irisbus solution for efficient and clean public transport**  
Philippe GRAND, Institutional Affairs  
Director, Irisbus Iveco, Saint-Priest, France

**14:00 – 15:30 Expo Forum 4 –  
Software as a Service-SaaS**

Hall 2

↻ EN

Chair: Jarl ELIASSEN, CEO, Trafikanten, Oslo, Norway

- **New ways to deliver services for fare collection**  
Mark MESSENGER, CTO & Head of Strategy, Vix Technology, Melbourne, Australia
- **Cloud computing: From custom tailored to off the shelf**  
Werner REUTEBUCH, Head of Central Technology, Trapeze Switzerland GmbH, Neuhausen, Switzerland
- **Standardisation and innovation: Contradictory or complementary?**  
Dirk WEIßER, Project Manager Research, INIT GmbH, Karlsruhe, Germany
- **Non-core revenue generation and customer satisfaction: Both are possible!**  
Niren CHOUDHURY, Director of Transportation Applications, Alcatel-Lucent US, Bridgwater, United States of America

**15:30 – 16:00 Coffee break**

ABC Foyer

**16:00 – 17:30 Session 6 – Railway CEO debate:  
The local challenge**

Room B

↻ EN - FR - DE - ES - RU

Chair: Christopher JACKSON, Editor-in-Chief, Railway Gazette International, Sutton, United Kingdom

Panelists:

- Norberto ACHILLE, President, FNM S.P.A, Milan, Italy
- Pere CALVET, Chairman of the UITP Metropolitan Railways Committee and Director General, Ferrocarrils de la Generalitat de Catalunya, Barcelona, Spain
- Soon-Man HONG, President, Korea Railroad Research Institute, Seoul, Korea

- David MARTIN, Honorary Vice President of UITP and Chief Executive, Arriva Plc, Sunderland, United Kingdom
- Andreas MEYER, CEO, Schweizerische Bundesbahnen - Chemins de fer fédéraux suisses, Bern, Switzerland
- Masaki OGATA, Vice Chairman, East Japan Railway Company, Tokyo, Japan
- Jacques RAPOPORT, President, Réseau Ferré de France, Paris, France
- Jay WALDER, CEO, MTR Corporation Limited, Hong Kong, China

Chair: Sylviane DELMAS, Chairwoman of the UITP Commission on Business and Human Resources Management and General Inspector, Régie Autonome des Transports Parisiens (RATP), Paris, France

- **Strategic management and integrated business processes: 'People make a difference'**

Morris CHEUNG, Chairman of UITP Asia-Pacific Division and Human Resources Director, MTR Corporation Limited, Hong Kong, China

- **How did a profit-sharing agreement change everything for the STM?**

Carl DESROSIERS, CEO, Société de transport de Montréal (STM), Montreal, Canada

- **fortl, the cultural DNA of TL... right down to the hardware**

Lauraine EBENER, Head of Human Resources, Member of Executive Committee, tl-Public Transport in the Lausanne Region, Lausanne, Switzerland

16:00 – 17:30

### Regional session 4 – Asia-Pacific: Urban mobility planning in mega cities and regional cities

Room C

EN

Chair: Ian DOBBS, Chair and CEO, Public Transport Victoria, Melbourne, Australia

- **Practice and planning of Shenzhen Metro's creative application of equipment energy-saving technology**

Lian JIAN, Deputy General Manager,  
Shenzhen Metro Group Co., Ltd., Shenzhen,  
China

- **Integration of airport railways  
with urban development**

Adi LAU, Chief of Operating, MTR  
Corporation Limited, Hong Kong, China

- **Decision-support systems using smart  
card data to assist in public transport  
planning**

Jae Hong MIN, Senior Researcher, Korea  
Railroad Research Institute, Seoul, Korea

- **Preparing for tomorrow: Gearing up  
Australia for a better and brighter  
transport future**

Bryan NYE, Chief Executive Officer,  
Australasian Railways Association,  
Canberra, Australia

16:00 – 17:30

**Expo Forum 5 –  
New ticketing technologies**

Exhibition hall 2

EN

Chair: Sjef JANSSEN, Managing Director,  
VDV-Core Application, Cologne, Germany

- **Technologies facilitating seamless  
multimodality, payment and information**

Ralph GAMBETTA, Head of Promotion,  
Calypso Networks Association, Brussels,  
Belgium

- **Be in / Be out: Ticketing has reached  
its comfort zone**

Matthias AUGUSTYNIK, Managing Director,  
Scheidt & Bachmann GmbH,  
Mönchengladbach, Germany

- **NFC smartphone for M-Ticketing  
(Prototype)**

Johan ROMMELAERE, Head of Marketing  
and Business Development, PRODATA  
Mobility Systems, Zaventem, Belgium

- **Secure UHF: Hands-free ticketing and  
potential technology to realise  
Be in / Be out systems**

Stephan RASCH, Product Line Manager  
Transit, Giesecke & Devrient, Munich,  
Germany

Tuesday 28 May 2013

Swiss Day! Come and discover Swiss public transport, culture and cuisine throughout the day

09:00 – 10:30 **Session 8 – Market organisation:  
Status quo or new paradigm?**

Room B

EN - FR - DE - ES - TR

Chair: Roger VAHNBERG, Chairman of the Organising Authorities Committee and Vice-President, Västtrafik, Gothenburg, Sweden

- **Competitive tendering vs customer focus: Solutions for an obvious contradiction**  
Christoph SCHAAFFKAMP, Managing Partner, KCW GmbH, Berlin, Germany
- **Deregulation of local transport: How to make it work?**  
Didier VAN DE VELDE, Researcher, Delft University of Technology, Delft, Netherlands

Masashi MORI, Mayor, Toyama City, Toyama, Japan
- **Com'on, innovative services for the elderly, supporting them during their journeys. Using a service design approach**  
Caroline VAN CAUWELAERT, Business Unit Manager, Yellow Window, Antwerp, Belgium
- **Passenger information: Scope and usefulness of current technological tools in the context of an ageing society**  
Guy PICARD, General Manager, Société de Transport de Laval (STL), Laval, Canada

11:00 – 12:30 **Session 11 – From chaos to efficiency:  
Formalising the informal**

Room B

EN - FR - DE - ES - TR

Chair: To be announced

- **Regulating informal transport**  
Tammam NAKKASH, Managing Partner, Team International, Beirut, Lebanon
- **Formalising the informal in cities of the Global South: Lessons from adapting informal bottom-up transportation and its contribution to an integrated and integrative urban mobility system**  
Arnd BÄTZNER, Researcher, University of St. Gallen, Switzerland
- **Greater Kuala Lumpur Land Public Transport Masterplan: Links to shape the future**  
Mohd Nur KAMAL, Chief Executive Officer, Land Public Transport Commission (SPAD), Kuala Lumpur, Malaysia

- **Restructuring of city bus operations, a good practice example in an Indian city**  
Matadha Shivananda Swamy HANDIHAL,  
Executive Director, Centre of Excellence in  
Urban Transport - CEPT University,  
Ahmedabad, India

11:00 – 12:30

### Expo Forum 6 – 'Non-engine' efficiency factors

Exhibition hall 4

EN

Chair: Arno KERKHOF, Senior Manager  
Knowledge & Membership Services, UITP,  
Brussels, Belgium

- **DIWA SmartNet: A telemetric system for driveline monitoring to increase the efficiency of service and maintenance of buses**  
Robert MUELLER, General Manager  
After Sales, Voith Turbo GmbH & Co. KG,  
Heidenheim, Germany
- **Development trends for Powershift Automatics for transit buses**  
Joachim FOTH, Head of Development  
Transmission, ZF Friedrichshafen AG,  
Friedrichshafen, Germany
- **Clean bus fleets for future mobility: HJS abatement technologies**  
Axel MIDDENDORF, Sales Director Commercial Vehicles, HJS Emission Technology GmbH & Co. KG, Menden, Germany
- **Eco-driving: The easiest way to save fuel**  
Udo STEINMEIER, Sales Manager DACHL,  
Trapeze Group, Hamburg, Germany

11:00 – 12:30

### Expo Forum 7 – Public transport made in Switzerland

Exhibition hall 2

EN

Chair: Thierry WAGENKNECHT, Chairman  
UITP Bus Committee and Technical Director,  
tpg, Geneva, Switzerland

- **tpg's electro-mobility concept**  
Thierry WAGENKNECHT, Chairman UITP  
Bus Committee and Technical Director,  
tpg, Geneva, Switzerland
- **TOSA project**  
Olivier AUGÉ, Global Product Manager,  
ABB Sécheron Ltd, Geneva, Switzerland

- **Modern e-bus propulsion systems**

Erik LENZ, Senior Sales Manager, Bus & E-Mobility, Vossloh Kiepe GmbH, Düsseldorf, Germany

- **e-Ticketing made in Switzerland: Unifying regional public transport solutions**

Bernd NAGEL, Project Manager, Schweizerische Bundesbahnen SBB, Bern, Switzerland

12:30 – 14:00 **Lunch & Exhibition visiting**

Restaurant hall 3

12:30 – 14:00 **Lunch session - Public transport funding lunch discussion**

*(Limited capacity: first-come, first-served basis)*  
Lunch will be provided.

Room X

EN

*Roundtable discussion*

This session will focus on public transport funding architectures and the interaction between the public and private sector, exploring different combinations of funding streams and the importance of securing dependable resources. The dynamic roundtable format will encourage a wide range of participants to exchange ideas on innovative and resilient approaches to public transport funding.

Introduction:

- Giampaolo CODELUPPI, Chairman of the UITP Transport Economics Commission
- International Transport Forum representative

14:00 – 15:30 **Session 12 – Local host session: Public transport in Greater Geneva**

Room A

EN - FR - DE - ES - AR

Chair and moderator: Philippe ANHORN  
Head of Communications and Public Affairs,  
tpg, Geneva, Switzerland

*Panel discussion*

'A transport project for Greater Geneva'

Panelists:

- Michèle KÜNZLER, Geneva State Councilor in charge of the Interior, Mobility and Environment, Geneva, Switzerland
- Robert BORREL, Former Mayor of Annemasse and President, Association régionale de coopération du Genevois (ARC), Annemasse, France
- Daniel ROSSELLAT, Mayor, Nyon, Switzerland

### Presentations

- **Leman 2030: RER backbone for public transport around and across Geneva**  
Blaise HOCHSTRASSER, State Director General of Mobility, Geneva, Switzerland
- **The future cross-border RER: Demand, pricing and customer service**  
Anna Barbara REMUND, Head of Regional Traffic, Schweizerische Bundesbahnen - Chemins de fer fédéraux suisses, Bern, Switzerland
- **The cross-border fare community and ticketing of the future**  
Christoph STUCKI, President, UNIRESO, Geneva, Switzerland
- **The concept of shared mobility in Geneva**  
Eric FORESTIER, Director Sales, Marketing and Customer Service, tpg, Geneva, Switzerland
- **Mobility 2030: A vision for urban mobility in Geneva**  
Blaise HOCHSTRASSER, State Director General of Mobility, Geneva, Switzerland

### 14:00 – 15:30 Regional session 6 – Latin America: Improving service quality to attract new customers

#### Room B

EN - ES - PT - TR

Chair: Roberto SGANZERLA, Communication and Marketing Adviser to the AUTOPASS Board, Brazil

- **The business model of tomorrow in Latin America**  
Roberto SGANZERLA, Communication and Marketing Adviser to the AUTOPASS Board, São Paulo, Brazil
- **The environment for BRT in Mexico City**  
Jesus PADILLA ZENTENO, General Director, Corredor Insurgentes S.A. de C.V. Ciudad de México, Mexico
- **The new business model for public transport in the next 10 years**  
Marcus QUINTELLA, Director of Transportation Engineering, Odebrecht Transport Participações, Rio de Janeiro, Brazil

Château de Coppet, Allée du Château, 1296 Coppet

Delegates are invited to take the special UITP train leaving from Gare Genève Cornavin at 19:08. The train will arrive at 19:16 (stop Coppet).

Shuttle buses will bring the delegates back to the city centre at the end of the evening starting at 22:30.

Delegates and accompanying persons are kindly asked to present their invitation card at the entrance.

Dress code: Cocktail/evening dress, business for men  
The dinner will be partly held outside (in the château garden), so we advise you to dress accordingly.

Use your **Swiss Pass** to get there!  
*With the kind support of Swiss Travel System and Union des transports publics (VÖV-UTP)*

## Technical Visits

### Would you like to take part in one of the technical visits being organised by tpg on Thursday 30 and Friday 31 May?

If so, come along to our Technical Visit registration desk in the Congress registration area where you can find out everything you need to know (schedule, how to sign up, cost, etc.).

You can choose from one of five exciting and educational visits.

- Visit n°1**                      Geneva RER construction site
- Visit n°2**                      Electro-Mobility concept at tpg and Mouettes Genevoises
- Visit n°3**                      Management of trains in Western Switzerland, first automatic metro line in Switzerland in Lausanne, train retrofit in Yverdon
- Visit n°4**                      Biggest railway junction in Switzerland (Zürich), new underground station under construction
- Visit n°5**                      Lötschberg base tunnel, car-carrying train through the mountain, axle-gauge changeover point in Montreux

**We look forward to seeing you there!**

**Monday 27 May 2013**

## **i-MOVE 2.0: LIFESTYLE**

**10:30**

### **Grand launch of Y4PT, the Foundation: Opening Ceremony and ribbon cutting with the partnership of Dubai's Road and Transport Authority (RTA)**

The International Non-Governmental Organisation (INGO) will act as a 'think tank' and a know-how sharing institution to promote sustainable mobility and public transport, to seek better welfare and enhance quality of life for all, particularly young people, all over the world.

**11:00**

### **Y4PT talks**

Join the Y4PT national coordinators to hear about their challenges, visions and changes.

**12:30**

### **Lunch**

Meet the Youth of the world dealing with sustainable mobility, take a seat at the Y4PT tables.

**14:30**

### **Inspirational paths**

Come with us on an inspirational journey to examine the most important issues of the day. Go behind the scenes and interact with leading CEOs and Youth speakers to get the inside track on their positive work and achievements. Every day, our speakers will take you on an emotional journey with our Youth representatives, where you will not only get to hear about, but also live out, their lifestyle experiences and projects.

### **# Introduction on the new generational visions and lifestyle:**

CEO: Petr IVANOV, Director, Mosgortrans, Moscow, Russian Federation

**15:45**

### **Launch of the Y4PT Job Bank**

**17:00**

### **Happy Hour in the garden and the veranda**

**Tuesday 28 May 2013**

## **i-MOVE 2.0: CHANGE FOR SOCIAL RESPONSIBILITY**

- 10:15**                    **Introduction**
- 10:30**                    **Inspirational paths**  
**# Meet the leading lights of Y4PT and talk about change, social responsibility and technologies:**  
CEO: Vivienne KING, Chairwoman of UITP Australia New Zealand and Managing Director, KDR Gold Coast Pty Ltd, Southport, Australia
- 12:30**                    **Lunch**  
 Meet the Youth of the world dealing with sustainable mobility, take a seat at the Y4PT tables.
- 15:00**                    **Y4PT talks**  
 Join the Y4PT national coordinators, learn about their personal experiences and activities all over the world.
- 16:00**                    **Presenting the brand new website of Y4PT**
- 17:00**                    **Happy Hour in the garden and the veranda**

## Wednesday 28 May 2013

### i-MOVE 2.0: ART AND DESIGN

- 10:15**                    **Introduction**
- 10:45**                    **Inspirational paths**  
**# Learn about the importance of art and design in the world of public transport and meet Y4PT, video-makers, designers and architects.**  
CEO: Michel LABRECQUE, CEO, STM, Montreal, Canada
- 12:30**                    **Lunch**  
 Meet the Youth of the world dealing with sustainable mobility, take a seat at the Y4PT tables.
- 15:00**                    **Y4PT talks**  
 Join the Y4PT national coordinators, learn about their personal experiences and activities all over the world.
- 16:00**                    **CaPTureIdeo! Presenting slogans and ideas!**
- 17:00**                    **Happy Hour in the garden and veranda**

## Come and visit us at the UITP stand!

Exhibition  
hall 4:  
4B100

### UITP staff are looking forward to welcoming you to the UITP stand.

We will be happy to answer any questions you may have about our association and its services. A visit to our stand will also be an opportunity to help yourself to our latest brochures, pick up your hot-off-the-press copy of UITP's flagship magazine, *Public Transport International*, have a chat with your fellow delegates, or simply relax and have a drink between congress sessions.

Pick up your limited edition magnet featuring the Grow with Public Transport campaign! Available as a giveaway at the UITP stand and at the registration desk. A collector's pack of 5 different limited edition magnets is also for sale at the UITP stand.

## UITP, a leading partner in European projects!

Come to the UITP stand and get to know more about UITP's involvement in EU projects:

### Tuesday 28 May 2013

10:30 – 11:00

3iBS: the intelligent, innovative, integrated Bus System

15:30 – 16:00

NODES: New tOols for Design and OpERation of Urban Transport InterchangeS

OSIRIS: Optimal Strategy to Innovate and Reduce energy consumption In urban Rail System

### Wednesday 29 May 2013

10:30 – 11:00

ZeEUS: Zero Emission bUs System

15:30 – 16:00

SECUR-ED: SECured URban Transportation – European Demonstration

*Find out more about SECUR-ED by attending the project's midterm conference on May 30 at the Starling Hotel (Rue François Peyrot 34, Geneva)*

# Save the date!
